Dear Joshua:

Thank you very much for your letter of April 14. The person in question is not a near relative, he is a brother of Bruno Morassutti, the husband of Alba's sister. Bruno, by the way; is an architect and spent a year at Taliesen. His brother has a rather important position, being the head of a chain of stores and he is the best person in the family to handle the job. His condition has not improved very much.

I am looking forward to seeing you in September.

Yours sincerely,

L.L. Cavalli-Sforza
